Date: June 14, 2011

Subject: Commission on School Accreditation Resolution

Enclosed is documentation of the action taken by the Commission on School Accreditation during a special-called meeting, today, Tuesday, June 14, 2011 at 10:00 a.m. in the 4th Floor Board Room of the Central High School Building in Jackson, Mississippi. In accordance with Section 37-17-6(11)(b) of the Mississippi Code of 1972, as amended, the Commission on School Accreditation has determined that an extreme emergency exists in the Drew School District which jeopardizes the safety, security, and educational interests of the children enrolled in the schools of this District, and believed to be related to serious violations of accreditation standards, state law and federal law.
