EDUCATOR LICENSURE

- G. Approval to Enter into an Agreement with the Mississippi Community College Foundation to Continue to Administer the Alternate Route Administrator Program known as the Mississippi Alternate Path to Quality Teachers (MAPQT) for the 2011-2012 School Year.

Specifications:

In 2005, the State Board approved the MS Alternate Path to Quality Teachers (MAPQT) program to alternatively train and license K-12 teachers. The contract was awarded at that time to the Mississippi Community College Foundation (MCCF) to produce and operate this program under the supervision of MDE. The State Board is being asked to consider approval of the Memorandum of Agreement between the MS Community College Foundation and MS Department of Education to operate the MAPQT alternate route teacher program for the 2011-2012 school year.
